

LOUISIANA PUBLIC ELECTED OFFICIAL AWARD

Elected officials often face decisions about a broad range of issues that, when enacted into law, represent the collective values of our society. Of particular interest to the social work profession are those policies that affect social justice, health care, education, civil, human rights, and social practice. In recognition of the responsibilities and challenges of public service, NASW established an annual award to recognize the outstanding service and contributions of an elected official.

4. Demonstrate leadership on behalf of the protection and advancement of social work practice.

Special consideration will be given to social workers elected to public office.
