**NATIONAL ASSOCIATION OF SOCIAL WORKERS
LOUISIANA CHAPTER
SPONSOR BROCHURE**

National Association of Social Workers

Dear Sponsors, Exhibitors, and Advertisers:

The NASW-Louisiana Chapter urges you to consider becoming a sponsor of this professional association. Sponsorship is not a one time commitment for your organization at our annual conference. Your support of this professional association has the potential of keeping your organization's name visible, yearlong, to social workers throughout the state. Depending on your level of support, you have the potential to have ongoing visibility in the newsletter that is published bi-monthly. You could even benefit from the visibility on our website.

As you are aware, the National Association of Social Workers, NASW, is the largest organization of professional social workers, with over 150,000 members nationwide. Of these, about 2,600 are members of the Louisiana Chapter. Many people do not realize that many of the state's mental health services are provided by social workers. Even more do not know that social workers are found in hospitals, social service agencies, home health agencies, courts, schools, the military and corporations. It is a profession that prides itself in standing up for others.

In the spring of each year, this Chapter hosts their annual conference. For the past several years we have had over 1,000 participants and we look forward to as large a crowd each year at our conference, which is scheduled for March or April of each year. This is always the largest single gathering of our profession in the state. Nationally, it is the second largest state conference in the country. Our conference committee works yearlong to ensure the quality event that our participants have come to expect. We offer workshops and master sessions targeted to social workers in a wide variety of practice areas including addiction, administration/management, aging, children and families, corrections and forensics, employee assistance, health, public and private mental health, research/policy and school social work. The support of our sponsors, exhibitors, and advertisers is crucial to maintaining the high quality of our annual meeting.

The various levels of sponsorship opportunities and rates for exhibitors and advertisers are described in this brochure. Please contact the NASW-LA Chapter office if you have any questions.

We encourage and solicit your favorable consideration of sponsorship of the largest social work professional organization in Louisiana and we hope to hear from you soon.

Sincerely,

Carmen D. Weisner
